

“Ed from Stead” Retirement BBQ

The Stead Staff will be celebrating this momentous day with a Pot Luck BBQ, and would like to extend an invitation out to those of you who would like to join us in Ed’s big send off to retirement paradise...

Date: July 7th

Time: 12:00pm — 3:00pm

Where: Stead Maintenance Shop

Pot Luck Items for those attending: Chips, Salads, Cookies

Ed Martin will be retiring from the Airport Authority, July 7, 2017, after 30-years of dedicated and diligent service. Ed started his career at the Airport Authority as a full-time employee in November 1986. During his tenure, Ed has held several different roles, such as Maintenance Worker, Airfield Maintenance Worker II, Airfield Maintenance Technician; and in December 2008 Ed was promoted to the role he serves today as the Lead Airfield Maintenance Technician at the Reno-Stead Airport. As the Lead Airfield Maintenance Technician at the Reno-Stead Airport, Ed has mentored new Airfield Maintenance Technicians to help them develop a deeper understanding of Airfield maintenance and operations, in addition to serving an important role in helping to facilitate the Reno Air Races. He will be greatly missed!
